"THE BOYCOTT."

An Editor Who Pronounces it an Evidence of "Higher Civilization."

of Homes Against the Shylocks?

Is a Boycott an Evidence That ar Employer Has Wronged His Employes.

of "The Boycott," appeared in the ed- pressor it is a terror by night and by itorial columns of the Sedalia Demo- day. The men who complain are crat of December 31, last-a little themselves the first to necessitate the

'boycott" raised by parties who have not given the matter the close study that is requisite for a proper understanding of the great weapon of the an evidence of higher civilization and instigators of it. is as far above the action of the courts as the legal machinery is above a trial of right by arms. In the early days of man, when might made right, an injury to an individul was followed by dained with pompous paraphernalia to try the causes of difference. As the was costly to both parties, and abuses of office at times made it impossible justice against their wealthy and more powerful neighbor.

The boycott has been used for a number of years, and in an ostracism from society, has been a powerful homes against those who are morally wrong. The action has been used but | than ever. no name has been applied to the force or power until Captain Boycott found himself to be an outcast from the society of his fellow man because of -The tile and brick men have an order of a land league in Ireland. The complete victory of the system in his case became known to the world and gave the name to this engine of punishment that is so effective in its action. It is not the lowly and oppressed alone who use this weapon, -The cattlemen are talking of now but for ages society has used it to keep driving their stock to the C. & A. for out those have shown themselves to be lacking in those things essential to the -Flour and meal are now being advancement of the moral tone of the world. All men are in themselves natural boycotters and endeavor in a small way to injure the business of those who have done them harm. -The Methodist church is holding But it remains for the combination of weapon for good or evil. The band, ing together of the laboring men the welfare of the laborer-makes the sions of the poor; the grindings of can not be remedied by suit at law, -The village in general is dead and but those organizations have placed in powerful than the edict of any court in the land. It is not necessary to go into a detailed statement of the manner of working and the efficacy of action of the boycott. Our own city has shown the workings of it and the proof of its efficient action was before our eyes. Merchants and manufacturers fear the boycott, and fear it justly. Statistics show that 237 cases of boycott have occurred in the past two years that have come to public be boycotted now means that the less he refuses to abide by an arbitration of his difficulties by disinterested parties; and to be boycotted throws as much stain upon a man's business integrity as to allow his notes to go to protest. It does not only injure the

stain clings to him, and evidence

shows that it takes years to recover

from the moral effect. The disgrace

attaches to the man that time alone

can efface. The time has come when the proper use of the boycott will be more effective in the settlement of difficulties than the use of courts. It is the poor man's friend and the enemy only of injustice and fraud.

The Golden rule that applies to all men bids us that "Whatsoever ye would that men should do unto you. de you even so unto them," and the boycott is founded upon this rule, and is the just punishment for breaking it. To the honest and honorable man there are no terrors in the uniting of workingmen. The use of the boycott The following, under the caption is not against him. But to the opthey use it against those who have come under the ban of their displeasure. The commercial agencies, and black lists of the business men, are boycotts in a crude from and against this there has been no cry. But when the people rise and demand equality the weapon used is denounced by the instigators of it.

NOTICE OF FINAL SETTLEMENT. Notice is hereby given that the undersigned, guardian of the person and estate of Cuthbert Mockbee, deceased, will make final settlement of his accounts with said estate as such guardian at the next term of the probate court of Pettis county, Missouri, to be begun and holden at Sedalia, in said county, on the 10th day of May, A. W. B. PARSONS, Guardian and Curator.

TRUSTEE'S SALE. Whereas, Sarah Wharton and John R.

Wharton her husband, by their deed dated the 10th day of February, 1883, and recorded in Trust Deed and Mortgage Record book 26, page 381 etc., of the Records of the recorder of deeds of Pettis County, Missouri, conveyed to Charles P. Budd all that certain parcel of real estate situated in the County of Pettis, and State of Missouri, to-wit: All that part of the following described lots in Charles D. Lesher and Louis Kumm's addition to the City of Sedalia that lies north of Main Street in the said City, and between said Main Street and the Missouri Pacific Railway, viz: Lots five (5) and six (6), a strip fifteen (15) feet wide off of the west side of lot four (4) and a strip fifty-five (55) feet wide off of the east side of lot seven (7), a plat of said addition being on record in the office of the recorder of deeds in said Pettis County, in trust to secure the payment of the notes in said deed described; and whereas default has been made in the payment of said notes, now therefore at the request of the legal owner of said notes, and under the provisions of said trust, I, the undersigned will proceed to sell the above described real estate at the west front door of the court house in the City of Sedalia, in the County of Pettis, state aforesaid, to the highest bidder for cash at public auction, on

SATURDAY, APRIL 24th, 1886, between the hours of nine o'clock in the forenoon, and five o'clock in the afternoon of that day to satisfy said notes, together with the costs and expenses of executing

3-30 w4t. CHARLES P. BUDD, Trustee. BOTHWELL & JAYNES, Attorneys.
